Swimming officials seminar

In cooperation with our judges committee we would like to utilize this competition to start new educational program for swimming judges and referees. We think that one of the most important thing in the world of swimming are fair officials with the best expereince that they can get.

We would like to invite one official from each country and give them the opportunity to share their experience from your own national competitions.

Your teams may bring FINA officials or any other official willing to share and learn.

Competition

Each official will be assigned with deck position before start of session. Starters and Referees will be Slovak officials assigned for the whole competition.

Seminar

There will be an option to participate at seminar. More informations will be distributed shortly.

Accommodation

Accommodation of all officials will be covered by Slovak Swimming Federation. Each country may bring 1 official. Each official will receive t-shirt.
